The site has a main road frontage and is opposite a new housing development. Suitable for a variety of potential complimentary uses, such as a hotel, retail and leisure etc. (subject to planning).

The historic town of Newark is an important commercial centre in the East Midlands, some 130 miles north of London and within half an hour's drive of both Lincoln and Nottingham.

Newark, with a population of 35,000, is also a lively market town and has a wide range of shopping and recreational facilities. Sherwood Forest and Center Parcs are within easy reach.

The A17 trunk road provides a further important link to Boston, King's Lynn and eastern ports.
